

MATRIX SERVICE COMPANY

Emerging Leaders Program Internship

“The exposure to multiple levels of leadership offered me a unique experience which constantly broadened my understanding of the industry, forced me to think critically, and challenged me to act as a reflection of my values.” – David Walborn, ELP intern

Matrix Service Company and family of companies strive to recruit, hire, and develop high-caliber students in Construction Management (and related degree programs) for the Matrix Emerging Leaders Program (ELP) Internship. The ELP internship takes college students through an array of professional growth activities to accelerate

their acclimation to the company, industries served, and professional world. The ultimate goal of the program is to provide structured training and development to enable ELP interns to build on academic experience and to gain the knowledge and skills necessary for our business, culture and future employment opportunities with our company.
